Your support of the United Way & Volunteer Services of Greater Yankton has helped our area thrive for 60 years. It is amazing to see the depth of caring people we have right here in the greater Yankton area. We truly are one of South Dakota's most giving communities.

The dollars our company helped raise last year are changing lives of thousands of people in our community – and some of those are people in our company.

Here are some examples of programs supported by your investment:

- After school programs such as the Boys & Girls Club of Yankton and Embe's Girls on the Run.
- Crisis assistance and support through Pathways Shelter for the Homeless and the River City Domestic Violence Center.
- Self – Sufficiency support for seniors through The Center; Meals on Wheels, and Yankton Transit.
- Programs that nurture children and youth such as Big Friend Little Friend, Dakota Smiles Dental Mobile, Imagination Library, Southeast CASA, Sack Pack, and Special Olympics.
- Agencies that strengthen and support families including Family Education & Counseling Center, LSS; Center for Financial Resources, and Habitat for Humanity.

And, these are only some of the over 60 programs receiving support through United Way funding!

I understand that you are given many opportunities each year to support individuals in our area. I encourage you to consider the United Way & Volunteer Services of Greater Yankton.
