➤ **LIVE UNITED.**

LIVE UNITED is a reminder that when we think outside ourselves, we have the power to facilitate change. When we think of others' lives as linked to our own, our compassion grows. **When we reach out a hand to one, we influence the condition of all.** We strengthen neighborhoods. We bolster the health of our communities. And we change the lives of those who walk by us every day.

➤ **YOUR GIFT HAS POWER!**

When combined with thousands of other contributions, your individual donation supports over 35 programs and services. By pooling your donation with others, we can make a difference together that none of us could achieve alone.

➤ **OVER 99% OF EVERY DOLLAR RAISED IS INVESTED IN OUR LOCAL COMMUNITY.**

➤ **No single agency or program can do it alone.**

It takes coordination and an entire network of programs to keep our communities strong – and that's what UWVS provides. With a deep network of relationships with education, community and business leaders, health and human service experts, volunteers and donors, UWVS is uniquely positioned to provide the leadership and resources to bring lasting change.

➤ **We ALL benefit from United Way.**

From programs that help our neighbors and even our own families cope in the face of home fires or other unexpected crises, to programs that help working families overcome life's challenges and remain self-sufficient – each of us has inherited a wealth of community support services that improve the quality of life in our region. It is up to each of us to protect and sustain it.
