advocacy and support hours provided to local children.

2018 – YTD IMPACT

SCHOOL READINESS. EARLY GRADE READING. THRIVING CHILDREN.

Research tells us that 90% of a child's brain develops in the first five years of life. That's why United Way starts early, by helping children aged 0-6 achieve crucial developmental milestones on time and start school ready to succeed.

No one can create change alone, that's why we need you.

EARLY CHILDHOOD SUCCESS

HOW CAN YOU HELP?

LIVE UNITED

United Way

GIVE

- Contribute to **United Way's Annual Community Campaign**.
- Donate **Yankton Transit** pre-paid punch cards to local agencies for youth.
- Donate educational items to the **Boys & Girls Club of Yankton Academy**.
- Donate school supplies for **United Way Stuff the Bus, School Supply Drive**.

ADVOCATE

- Participate in an awareness campaign for **Southeast CASA**, on the effects of child abuse and neglect in our community.
- Join **United Way SPARK** during monthly Community Conversations, held the first Fridays, monthly at the Avera Pavilion.
- **Get involved!**

VOLUNTEER

- Sign up to be a reader, tutor or mentor through **United Way**.
- Help **Yankton Food for Thought** pack weekend sack packs for youth at risk of hunger.
- Contact **United Way** for other volunteer ideas, placement opportunities, and corporate or family volunteer projects!
