

LIVE UNITED

GREAT THINGS HAPPEN WHEN WE GIVE TO UNITED WAY!

With one donation you can help over 52 local programs reach people of all ages that need a helping hand. Parenting skills, education about disabilities, preventative youth activities, congregate activities for isolated seniors, abused women and children, individuals experiencing homelessness, age-appropriate books for children, family budgeting – just a few of the issues addressed through the work of our Partner Agencies.

Please consider donating \$1.00 per week through payroll deduction to the United Way of Greater Yankton's Community Campaign. Together we can reach the goal to help our neighbors.
