PSA OR ANNOUNCEMENT VERBIAGE:

- Hey, Yankton area, fighting the flu starts with you! Influenza vaccines are available at a variety of locations. You can call your healthcare provider and schedule at their office. Local pharmacies are also providing vaccinations either by scheduled appointment or walk-in. Since there will be no vaccinations provided at the schools this year, if parents and guardians are utilizing pharmacy vaccinations, please call in advance regarding children 8 or younger. No prescription is needed for a flu shot and most insurances cover influenza vaccines 100%, but please call your insurance provider if you have questions. Additional local information can be found at www.yanktonunitedway.org/fighttheflu/
- Fighting the flu starts with you! There is no better time than now to stop by a local pharmacy or call you provider to get your vaccine. 2020 has been tough enough, get ahead of the bug and get vaccinated today.
- Did you know you can stop into local pharmacies to get your flu vaccine? Stop in today because fighting the flu, starts with you!
- Have you called your healthcare provide to schedule your flu vaccination? Do it today to get ahead of the bug. Fighting the flu starts with you!
- 2020 has been tough enough so plan on getting your flu vaccination today. Call your healthcare provider or stop into a local pharmacy. Don't procrastinate! We need to get ahead of the flu bug.
- Today's to-do list: Wash hands, wear a mask and get a flu vaccination. Fighting the flu starts with you!
- Fighting the flu starts with you getting your immunization. Get ahead of the bug, 2020's been tough enough.
